Tentative Chapters:

Acknowledgement

Content

Table/Graph List

Picture/Maps List

Abbreviations

Chapter I Introduction

i. Introduction

   ii. Statement of problem

   iii. Importance of the problem

   iii. Hypothesis of problem

   v. Aims and objectives of research

   vi. Research Methodology

   vii. Introduction of study area

Chapter II Review of literature

Chapter III Review of Kukadi Canal Irrigation project

i. Introduction

ii. review of Kukadi canal irrigation project

iii. Review of canal irrigation in Maharashtra

iv. Review of canal irrigation in Western Maharashtra.
Chapter IV  Analysis of collected data
  i. Changing patterns of Land Utilization.
  ii. Cropping Patterns
  iii. Agricultural Efficiency.
  iv. Levels of Agricultural development.
  v. Impact of Irrigation on Economic Changes.

Chapter V  Conclusion / Findings:
  i. Introduction
  ii. Conclusion
  iii. Findings
  iv. Recommendation
  v. Suggestions
