Objectives of the Study

Objectives give the perfect direction to the research and researcher. By keeping in the mind the objectives of the study, the whole process of research is analyzed. To do any work it will first necessary to decide its objectives. Objectives have its own importance in any research work. The present study will have the following objectives:

1. To know the level of Emotional Intelligence of Higher Secondary School Students of Ahmedabad District.
2. To know the level of Emotional Intelligence of Higher Secondary School Students of Gujarat State having different Gender.
3. To know the level of Emotional Intelligence of Higher Secondary School Students of Gujarat State having different Gender studying in Granted and Non-Granted Schools.
4. To know the level of Emotional Intelligence of Higher Secondary School Students of Gujarat State having different Gender studying in Science and Commerce Standards.
5. To know the level of Emotional Intelligence of Higher Secondary School Students of Gujarat State having different Gender studying in Rural and Urban area.
6. To know the level of Emotional Intelligence of Higher Secondary School Students of Gujarat State studying in Granted and Non-Granted Schools.
7. To know the level of Emotional Intelligence of Higher Secondary School Students of Gujarat State studying in Granted and Non-Granted Schools of Science and Commerce Standards.
8. To know the level of Emotional Intelligence of Higher Secondary School Students of Gujarat State studying in Granted and Non-Granted Schools of Rural and Urban area.
9. To know the level of Emotional Intelligence of Higher Secondary School Students of Gujarat State studying in Granted and Non-Granted Schools having different Gender.
10. To know the level of Emotional Intelligence of Higher Secondary School Students of Gujarat State studying in Science and Commerce Standards.
11. To know the level of Emotional Intelligence of Higher Secondary School Students of Gujarat State studying in Science and Commerce Standards of Rural and Urban area.
12. To know the level of Emotional Intelligence of Higher Secondary School Students of Gujarat State studying in Science and Commerce Standards having different Gender.
14. To know the level of Emotional Intelligence of Higher Secondary School Students of Gujarat State studying in Rural and Urban area.
15. To know the level of Emotional Intelligence of Higher Secondary School Students of Gujarat State studying in Rural and Urban area having different Gender.
16. To know the level of Emotional Intelligence of Higher Secondary School Students of Gujarat State studying in Rural and Urban area studying in Granted and Non-Granted Schools.
17. To know the level of Emotional Intelligence of Higher Secondary School Students of Gujarat State studying in Rural and Urban area studying in Science and Commerce Standards.
