Objectives :-

1) To study the growth and development of Indian English literature in India.
2) To study Indian English literature in pre and post independent time with the help of specific novels of that time, How this era affected on these novels and their characters.

Importance :

Indian English fiction is the best known component of Indian English literature. The ultimate purpose of this study is to make man understand himself, to stir his consciousness, to intensify his emotions and to enable him to experience the flavor of beauty. Literature is capable of changing human personality and turning the world upside down. No doubt the novel expresses the author’s fundamental experience the inchoate urges of his body-soul but at the same time, it presents life in its essential nature, with all its vagueness, conflicts and disorders.
