Objectives of the Study

Objectives give the perfect direction to the research and researcher. By keeping in the mind the objectives of the study, the whole process of research is analyzed. To do any work it is first necessary to decide its objectives. Objectives have its own importance in any research work. These are the following objectives of the present study.

- To know the Environmental Awareness Ability of Higher Secondary School Students of Ahmedabad District.
- To know the Environmental Awareness Ability of Boys and Girls of Higher Secondary School Students of Ahmedabad District.
- To know the Environmental Awareness Ability of Boys and Girls of Higher Secondary School Students of Ahmedabad District. studying in Rural and Urban area.
- To know the Environmental Awareness Ability of Boys and Girls of Higher Secondary School Students of Ahmedabad District. studying in Granted and Non Granted schools.
- To know the Environmental Awareness Ability of Boys and Girls of Higher Secondary School Students of Ahmedabad District. studying in Science and Commerce streams.
- To know the Environmental Awareness Ability of Higher Secondary School Students of Ahmedabad District. studying in Rural and Urban area.
- To know the Environmental Awareness Ability of Higher Secondary School Students of Ahmedabad District. of Rural and Urban area studying in Granted and Non -Granted schools..
- To know the Environmental Awareness Ability of Higher Secondary School Students of Ahmedabad District of Rural and Urban area studying in Science and Commerce streams.
• To know the Environmental Awareness Ability of Higher Secondary School Students of Ahmedabad District of Rural and Urban area having different Gender.
• To know the Environmental Awareness Ability of Higher Secondary School Students of Ahmedabad District, studying in Granted and Non Granted schools
• To know the Environmental Awareness Ability of Higher Secondary School Students of Ahmedabad District Granted and Non -Granted schools studying in Science and Commerce streams.
• To know the Environmental Awareness Ability of Higher Secondary School students of Ahmedabad District studying in Granted and Non Granted schools having different Gender.
• To know the Environmental Awareness Ability of Higher Secondary School Students of Ahmedabad District of Granted and Non Granted schools studying in Rural and Urban area.
• To know the Environmental Awareness Ability of Higher Secondary School Students of Ahmedabad District studying in Science and Commerce streams.
• To know the Environmental Awareness Ability of Higher Secondary School Students of Ahmedabad District of Science and Commerce streams having different Gender.
• To know the Environmental Awareness Ability of Higher Secondary School Students of Ahmedabad District of Science and Commerce streams studying in Rural and Urban Area.
• To know the Environmental Awareness Ability of Higher Secondary School Students of Ahmedabad District of Science and Commerce streams studying in Granted and Non Granted schools.
