OBJECTIVES where to find:

- Are there leader behaviors, attributes, and organizational practices that are universally accepted and effective across cultures?
- Are there leader behaviors, attributes, and organizational practices that are accepted and effective in only some cultures?
- How attributes of societal and organizational cultures influence specific leader behaviors, and if they will be accepted and effective?
- How do attributes of societal and organizational cultures affect selected organizational practices?
- How do attributes of societal cultures affect the economic, physical and psychological welfare of members of the societies studied?
- What is the relationship between societal cultural variables and international competitiveness of the societies studied?
