OBJECTIVES

The thesis will have the following objectives;

1. To critically evaluate the select novels of E M Forster
2. To examine the Liberal Humanism’ portrayed in the works of Forster
3. To study the points of view of Forster as a novelist to see if he was a ‘Liberal Humanist’ within the sphere of the traditional norms and the human relations he aspires for, in the background of ‘Queer theory’
4. To examine the significance of his works in modern era.
