Research Methodology

1. Primary Data will be collected through,
   - Questionnaire
   - Interviews
   - Observations

2. Secondary Data will be collected through,
   - Research Journals
     - Armed Forces Journal
     - Emerald Group Publishing Ltd.
   - Technical & Management Books
   - Magazines
     - Defence News, U.S. Department of Defense
     - Defence India
   - Web-sites
     - www.india-defence.com
     - www.bharat-rakshak.com
     - www.business-standard.com
   - Published Reports
     - New Tech Papers
     - BB Electronics

Research Design:

Indicative Sampling Methods-
   - Simple Random Sample
   - T-Test
   - Chi-squared Distribution
   - Analysis of Variance (ANOVA)
   - Numerical Analysis

Sample Size-
   - Sr. Executives – 20
   - Scientists from Research Laboratories – 10
Data will be collected through Questionnaires, Interviews & Observations, further will be analyzed by using the above indicative sampling methods.

**Expected duration of the work:**  
Within 24 months (from July 2011 to June 2013)

Research Schedule:

<table>
<thead>
<tr>
<th>July 2011 to December 2011</th>
<th>Introduction &amp; Literature Review</th>
</tr>
</thead>
<tbody>
<tr>
<td>January 2012 to June 2012</td>
<td>Structure of Study, Planning Questionnaire Designing</td>
</tr>
<tr>
<td>July 2012 to December 2012</td>
<td>Data Collection, Analysis &amp; Interpretations</td>
</tr>
<tr>
<td>January 2013 to June 2013</td>
<td>Findings, Conclusions, Suggestions &amp; Recommendations</td>
</tr>
</tbody>
</table>
