AIM OF RESEARCH AND OBJECTIVES

1. To examine the existential angst of the characters of Arun Joshi, Anita Desai and Jhumpa Lahiri and understand the manner in which their protagonists handle the crisis in their lives. It will enable us to understand human nature in a more humane manner.

2. Existentialism is a universal problem and needs to be discussed and understood in the right perspective.

3. To critically analyze the identity crisis and sensitize society of the consequences of the same.
