WORK PLAN AND METHODOLOGY

My research work will be relying on primary and secondary sources. The research will be mainly through library research, websites, internet, relevant journals, article, books, magazines, newspapers etc. This will also include comparative discussions of the novels and writers and analytical conclusions drawn by the writers and critics. The tentative work plan is as follows:

Chapter 1  Introduction - Philosophy of Existentialism and existentialism in Indian English Literature.
Chapter 2  Psychological Landscape in Arun Joshi, Anita Desai and Jhumpa Lahiri:
            A comparative study
Chapter 3  The theme of alienation and rootlessness
Chapter 4  Style and Technique
Chapter 5  Conclusion
Chapter 6  Works cited
