# **“A STUDY OF HUMAN RESOURCE POLICIES OF THE CO-OPERATIVE BANK EMPLOYEES WITH SPECIAL REFERENCE TO LATUR DISTRICT CENTRAL CO-OPERATIVE BANK LTD.”**

## **INTRODUCTION**

The features of Latur district are ‘Latur Pattern’ which is famous in the field of education as well as historical market place ‘Ganjgolai’. Another feature is Latur district is known for earthquake struck in 30 September 1993. The district is mostly depending on primary agriculture sector. It is an industrial center as well as agriculture-based economy. Administratively the district is divided into five subdivisions namely Latur, Nilanga, Ausa, Ahmadpur and Udgir, and further divided into ten talukas & ten Panchayat Samitis. These are Latur, Udgir, Ahmedpur, Ausa, Nilanga, Renapur, Chakur, Deoni, Shirur Anantpal, and Jalkot. Latur city is the administrative headquarters of the district. There are around 945 villages & 786 Gram Panchayats in the district.

There are six Vidhan Sabha constituencies in Latur District. These are Latur City, Latur Rural, Udgir, Ausa, Nilanga and Ahmedpur. The district votes in two Lok Sabha constituencies Osmanabad for Ausa, and Latur for the other five.

Banks are veins of the economic system. The functioning of economic system depends on banking system and financial institutions. The proper co-ordination of savings and investment is done by banks. Development of different economic sectors depends on finance provided by banks. Investment decisions of banks determine the direction of investment in a country.

HR policies provide written guidance for employees and managers on how to handle a range of employment issues. They play an important role in practically and effectively implementing an organisation’s HR strategy. They also provide consistency and transparency for employees and managers, helping to enhance the psychological contract and create a positive organisational culture. Business promotion is one of the 4 P’s of the marketing mix. It is a part of marketing communication which reaches organisations target market to gain awareness and foster conversation with prospects and customers. Promotion helps organisations draw their target’s attention, create interest in your products and services, generate demand. Bank believes that their employees are most valuable asset and they encourage a work culture, foster relationship with employees at every level in the bank.

## **NEED OF THE STUDY**

This study is necessary to understand What is the base of HRM policies and promotional strategies in the Latur District Central Cooperative Bank employee in Latur District. The employee living in urban and rural area.

Latur district is situated in the south eastern Marthawada part of the Maharashtra state. The district gets average rainfall in the monsoon season. The entire district is situated on the Balaghat Plateau. Human resource policies are continuing guidelines on the approach of which an organization intends to adopt in managing its people. Promotion aims to stimulate demand for a company's goods or services. Promotional strategy is designed to inform, persuade, or remind target audiences about those products.

The need of study is identify the factors of HR policies also identify deal of employee with job and personal needs. The study helpful to understand level of HR policies and promotional strategies in cooperative bank sector. If employee satisfied they work with full dignity and contribute to achieve rapid development. This study respect to factors affecting job trying to find out factors affecting employees career. And give him/her suggestion.

### **OBJECTIVES OF THE STUDY**

1. To study the various factors involved in the concept of the HR Policies.
2. To study need and importance of HR policies and promotional strategic among the employees and management.
